Dear friends,

We are looking forward to welcoming you all back to the Eastbury soon!

From **Monday 12th April** we will be offering self-catering staycations in our Cottage and Victorian Garden Potting Shed Suites.

Our Hotel will be fully reopening from Monday 17th May

We have adapted our Hotel for both staff and guests during this unprecedented time.

Whilst observing new safety measures we aim to provide the same warm welcome and service we always strive to deliver.

Please read below for further information on our new procedures.

On behalf of the Eastbury team, we would like to thank you for your support and patience during this challenging time.

Visiting us

We have held a 5-star hygiene rating and always adhere to the highest standards of cleanliness and hygiene. We are of course putting even more effort into this area due to the current situation.

We ask guests to wear a mask whilst moving around the hotel, bar, and restaurant until seated. All rooms will be provided with anti-bacterial wipes and hand sanitiser. We ask that you sanitise our hands when entering and leaving the foyer, spa, and restaurant. We request that you observe the social distancing measures.

Upon entering the Hotel, we have our QR code available for guests to check themselves in through the NHS App. Our Receptionists will also ensure we have your contact details when visiting us.

All our staff complete a questionnaire and temperature check before starting their shift. They are required to wear a mask or visor at work. Additional procedures will stay in place around staff rotas and scheduling to reduce extended time in close contact.

Our reception desk has been fitted with a Perspex shield. We will offer a minimal contact for check in and check out.

Our receptionist will direct you to your room where your freshly sanitised keys will be waiting for you.

Our Housekeeping team deep clean your room before your arrival and will ensure you have everything you need for your stay, they will not be permitted to re-enter your room for the duration of your stay but you can request additional items that can be delivered to your door. If you are staying for more than two nights, we will endeavour to provide you with additional amenities where possible.

Each room will also have a tea towel, dish cloth and fairy liquid should you wish to wash any cups etc during your stay.

We will proactively offer room moves and upgrades to the rooms which have their own entrances and are isolated from other guests where available.

Our stand alone accommodation includes our new 3 bedroom cottage, our five Victorian potting shed suites and our Yew, Willow, Tamarix and Rowan rooms.

We can only offer table service throughout our restaurant including our bar and outdoor seating.

The maximum number of guests per table is 6.

We were already a spacious and spread out destination, with separate areas where you can sit. Spacious residents drawing and morning rooms, outside bistro, terrace and a private dinning pod gives the option of even more privacy and seclusion during your visit.

Room service is available to guests on request during this period at no additional charge. Deliveries can be arranged to your door for breakfast, lunch, and dinner. We have created new menus for our room service options including picnic hampers for you to take home with you on your adventures.
